WELCOME

Welcome to Bi Pride UK 2019. We hope you are as excited as we are for the UK's first ever Bi Pride event. Months of planning and hard work has gone into this from a team made completely of volunteers, and we all wish you a safe, happy, and empowering Pride.

There are a few things we need to quickly go over before you get too excited and jump into Bi Pride, so take a moment to read through this event guide. You'll find the schedules for both stages, accessibility information, and a link to the code of conduct.

Lastly we are run completely from donations and sponsorships, so a huge thank you to everyone who has supported Bi Pride UK in the past, and an enormous thanks to our sponsors who believed in us and made Bi Pride UK a reality.

With pride,

ACCESSIBILITY STATEMENT

Our Access team and volunteers are here to ensure everyone can participate in celebrating Bi Pride as fully as possible. You can read our accessibility statement here. Some things to highlight are;

- Our toilets are all gender
- Accessible entrances and the mobiloo are marked on your map. If you are unable to access the map, our volunteers can help you
- Noise protectors are available to borrow in adult and child sizes
- There is a quiet sensory space, available at all times
- Our roving BSL interpreters are identifiable from their "performance interpreting" T shirts
- The trans changing area is small, and if more than one person wishes to use it at the same time, you may have to queue

There is a code of conduct we expect all to follow on the day, which you can read here. If you feel this has been contravened please speak to one of our volunteers, and we will help and support you
